

**How to crack  
GST JOBS ?  
Students from  
India Worried !**

GST is the next big thing present in Modi's tasksheet to influence the Indian Economy. However, do you think the Indian Economy is ready to face the jerk of this transition ? Do you think companies are competent to execute the necessary actionables while addressing various challenges of demonitization and a 'Trump-ed' global economy ?

To answer these questions, Henry Harvin Education has come up with a unique offering to counter this problem at the grassroots level. Henry Harvin Education has launched a training and certification program on GST which has been specially designed for to inculcate GST know-how at the grassroots level.

This program will lead to a professional certification: 'Certified GST Practitioner' post an examination based on 8-hour regressive training. This will address the issues of recognition of their distinguished knowledge. This program will be delivered by Henry Harvin's empanelled industry professionals having 25+years of experience in accounting and consulting.

From student perspective, following will be outcomes based on learning and career:-
